# FUN FOR Y FAMILIES

## CONCORD FAMILY YMCA Sept. 5 – Oct. 22, 2017 rev. 8.16.17

These days, it seems tougher than ever to find time for the important things in life. Long work hours compete with household chores, leaving families with fewer opportunities to relax, connect and enjoy one another's company.

We understand this firsthand, which is why we specialize in bringing families together to have fun. Whether the activities are physical — like sports and exercise classes — or more recreational — like swimming and playing games — we encourage you to find things to do together here at the Y. It's our promise to strengthen the foundation of our community through a focus on youth development, healthy living and social responsibility. These times below are a family or single parent member benefit.
