Contact Information:

Lead Preschool Teacher (Concord)

compensation: **\$12.00-\$13.00 per hour**

employment type: **full-time**

non-profit organization

Under the direct supervision of the Childcare Director and the Assistant Childcare Director, the Lead Teacher will be responsible for providing a safe, engaging and welcoming environment for all children enrolled in their program. Specific areas of responsibility include: the development and implementation of a daily developmentally appropriate curriculum, meeting or exceeding state licensing requirements, and daily communication strategies that keep families informed.

Specialized, Technical or Practical Know How:

- Associates Degree in Early Childhood Education or a minimum of 18 credits in early childhood education from a regionally accredited college or university
- Meet the New Hampshire Department of Childcare Licensing qualifications for a lead teacher
- Have a basic knowledge of childcare licensing requirements as it applies to your specific program

Benefits package to include: Free Childcare, Paid Time Off, Health Insurance, YMCA Family membership, and Retirement Plan
