- Swim diapers are required for children who are not toilet trained.
- Hair that is shoulder length or longer must be tied back.
- Swimming is prohibited for those with communicable sicknesses, and open wounds.
- Food, gum, candy and glass containers are not permitted on the pool deck.
- If the pool becomes too crowded, the lifeguard may restrict the number of people & toys allowed in the pool.
- Breath holding and prolonged underwater swimming is prohibited.
- Pushing and rough play are prohibited.
- Swimmers may not hold, sit, or hang onto the lane lines.
- Diving is permitted only in areas where the depth is 9 feet.
- No backward, twisting, or turning jumps.
- Starting blocks are reserved for swim lessons and swim team.
- All swimmers must take a swim test by the lifeguard and wear their appropriate swim band.
- Red swimmers are swimmers who need a flotation device to swim. An adult must be in the water with them, they must stay in the shallow end only.
- Yellow swimmers can swim with out a float, from the end of the pool to the rope with out touching bottom or sides An adult must be in the water with them, they must stay in the shallow end.
- Green swimmers are swimmers who have passed the deep end test. 25 yard swim going under the shallow end rope then treading water for 60 seconds. Continuously with out stopping, with out touching bottom or sides .
- **All swimmers that are not with in arms reach of an adult at all times; must wear a coast guard approved flotation device. (Puddle Jumper or Lifejacket)**

Lap Swim Rules

- Enter the pool at the shallow end (DO NOT dive)
- Swimmers must share lanes if all lanes are occupied
- If joining another lap swimmer who has already begun swimming, enter the pool at the shallow end and touch base with that swimmer before beginning to swim. (If that swimmer does not stop ask the Lifeguard to help you or you can wave a kickboard in front on them. **DO NOT touch them.**)
- 2 swimmers in a lane split the lane.
- 3+ swimmers in the lane circle swim in a counter clockwise motion. Always stay to the right.
- If you need to stop swimming please stop at the ends of the pool.

Water Fitness Classes—Member Benefit

H2O Aerobics:

A high intensity water fitness program focused on providing a unique workout by utilizing exercises from various disciplines. This class is composed of kickboxing moves, interval work, strength training and water current training for a great aerobic exercise. Class is in shallow and deep water This class is geared towards adults seeking an intense workout..

Deep H2O Aerobics:
