Any classes requiring certification pre-requisites:

Students must upload their class pre-requisites to their account on the Yexchange.com prior to the course beginning.
(Your instructor can not do this)

1. To upload your Basic life support (CPR Pro) and other licenses you can visit the LCDC at www.lcdc.yexchange.org.
2. Select My Records > Online Applications & Uploads > Submit Outside License.
3. Select the License that you are submitting (e.g. AED, CPR, First Aid); select CPR PRO from the drop down menu. Selecting CPR PRO will apply CPR towards aquatics.
4. Enter the expiration date, achieved date and months the license is good for.
5. Upload the license document requiring approval. Files must be less than 15MB, and the accepted file formats include .
• jpg • png • tif • pdf • doc • docx

LCDC is mobile compatible when searching for classes or registering for a class but may not offer the optimal experience for using Online Learning. For the best experience with Online Learning, we strongly recommend using either the Internet Explorer 11 browser or the Google Chrome browser on a desktop computer.

To use LCDC, your computer system must have:

- Internet Explorer 9.0 or higher, Chrome, Firefox or Safari.
An active internet connection.
- A PDF viewer such as Adobe Reader.
- Excel 2003 or higher if you intend to export grids from LCDC.

Signing up trouble shooting:
