The licensing authority for this program is the bureau of licensing and certification childcare licensing unit. Childcare programs are required to post a copy of the statement of findings and corrective action plan for the most recent visit in a location which is accessible to parent and must make them available for parents to review upon request. Statement of findings and corrective action plans are also available on-line at <http://childcare.dhhs.nh.gov> or by calling the bureau at 603-271-4624 or 1-800-852-3345, ext 4624. During the licensing, monitoring, and complaint investigation visits to licensed program the department shall speak with children regarding the care they receive at the program if in the judgement of the licensing specialist the children's; response would be valuable in determining compliance with licensing rules. Licensing staff are experienced in working with children and trained to interview in a manner that is respectful and non-leading. However, if you do not want your child interviewed, or if you want to be informed prior to your child being interviewed you must give the director or designee, and update annually, a signed, dated statement indicating your preference.
